

Happy HOLIDAYS

FROM STAY-FOCUSED 2025

Summer 2025 was a happy summer for Stay-Focused, blessed with pleasant weather, lots of laughs and smiles, and exceptionally exciting dives. From turtles to nurse sharks and even a hard-to-find sea horse, our divers enjoyed the diverse marine life and calming waters of Cayman. With support from our long-standing diving operations partners Red Sail Sports and Sunset Divers, we have now certified in diving 168 teens and young adults with disabilities over the past 22 years.

We thank our hotel sponsors (Grand Cayman Marriott, The Westin, and The Ritz-Carlton), who provide generous support and always look for ways to make us comfortable and ensure our programs run smoothly. Thanks, as well, to our restaurant sponsors who welcome us each year and accommodate our large groups. And we are the beneficiaries of support from The Ambassadors of the Environment Program at The Ritz-Carlton and The Cayman Turtle Centre, offering our participants the opportunity to learn more about Cayman's diverse ecological environment.

On November 2nd, our Charity Partner Team in this year's 2025 TCS New York City Marathon did an outstanding job in representing Stay-Focused and raising funds for our programs. All 15 runners (our largest team) crossed the Finish Line and raised \$107,443 (from 475+ donors), exceeding our team goal of \$100,000, making it our most successful fundraiser to date.

We are already planning next summer's programs and as we celebrate the blessings of the holiday season, we offer a heartfelt thank you to all our friends, sponsors, and donors who make it possible for Stay-Focused to embark on its 23rd year with enthusiasm and confidence.

Wishing you peaceful holidays, good health, and joy in 2026!

Roger
